

World Championships Twirl 2020

Eindhoven, The Netherlands

Wednesday 8th until Sunday 13th of April 2020

We proudly welcome you!

The World Championships for Twirl 2020 will take place in the Netherlands. We are proud to be your host during this event. In this brochure we are informing you about our possibilities to make your stay warm and comfortable during your event. As athletes we understand that during the World Championships your stay should be comfortable and an absolutely unique experience.

NBTA the Netherlands has decided to give you the outmost experience. We collaborate during this event with our tour operator. You will find the contact details of our tour operator at the end of this brochure and at the bottom of this page.

Let us give you a small introduction of the Netherlands. The Netherlands is a unique country: it is completely flat and below sea level. Many tourists visit the Netherlands for its cultural cities such as our capital Amsterdam; The Hague; Rotterdam; Delft and Utrecht. But also because of our different countryside such as the small fisher village of Volendam; the Windmills in Kinderdijk; and Giethoorn is known as "Venice of the North".

The Netherlands is most known for 5 different icons; the tulip fields; windmills; cheese markets; wooden shoes and Delft blue. Although it is not in the top 5 icons we all know the Dutch national brewery Heineken. And did you know that we are the Cycling Nation? With over 32,000 kilometres cycling paths throughout the country. This is due to our flat country which makes cycling safe, easy and great fun! Without any doubt, the best way to discover the Netherlands is by using our great bicycles.

And we are also well-known for our yearly seasonal periods: go Ice Skating in the winter; enjoy the tulip fields in the spring; go cycling in the summer; and soak the culture in the autumn.

This was just a small introduction of the beauty of our country. We are proud of the Netherlands and although the World Championships are short: we do hope you will have great fun with us.

We thank you for your interest and we hope we can be of assistance to you.

Good luck with the selections and we hope to welcome you soon!

On behalf of NBTA the Netherlands,
